

RFI #1 : If Item No. 0002 Option 1- Salvage is accepted will the successful contractor be allowed to transport the brick to be salvaged to an off site location for cleaning, stacking, palletizing and prep for delivery of the bricks to a location within 20 miles of Ft. Leavenworth, KS?

(Response) The only thing the Government cares about is the delivery of clean, palletized bricks. As long as the contractor delivers the bricks to the Government, he can take them off site.

RFI #2 : If RFI #1 is acceptable will the contractor be responsible to pay the required wages as stated in the contract documents?

(Response) The contractor will be required to pay the Davis-Bacon Act wage rates in the contract for all time spent working on the project site. Work off site is not covered.
