---

This announcement is formally issued on the Federal Business Opportunities web page. It is repeated on this web page for your information and convenience **only**. Registration on this page does not cause **any** action on the part of the Corps of Engineers. Registration will add your name to the “list of planholders” **only**.

If you are interested in other firms contacting you to express their interest in joining their (or your) team, then you are encouraged to register on this web site.

Thank you,
